

BROADBAND CHANGE

On 2026-03-30, the housing association will change broadband provider from Ownit to Bahnhof in order to reduce our costs. In connection with this change, all members must collect a new router.

The router belongs to the apartment and must remain there if the apartment is sold.

If the apartment is transferred without the router being left behind, you will be personally charged 4,700 SEK.

Router collection will take place in the board office at Bygatan 37 at the following times:

Bygatan 1 to 7: Tuesday 2026-03-17, 15:00 to 20:00

Bygatan 9 to 15: Wednesday 2026-03-18, 15:00 to 20:00

Bygatan 17 to 27: Thursday 2026-03-19, 15:00 to 20:00

Bygatan 29 to 39: Monday 2026-03-23, 15:00 to 20:00

Note: If you have an @ownit email address, it is connected to Ownit. After March 30, it will remain active for 30 days, after which it will be deleted. Please make sure to change your email address as soon as possible.

Please bring this form and identification when collecting the router, filled in with all information except the router's serial number, which will be filled in on site.

Receipt for router Zyxel EE3301-00

Name: _____
